CHRONICLES OF CURSED SWORD

The cost of characters

MINGLING

A lesser demon with felix qualities, Mingling is now the loyal follower of Shyao-Lin. She tries to lure Ray, who still doesn't trust her.

THE PASA SWORD

A living sword that hungers for demons' blood. It grants its user incredible power, but at a great cost—it can take over the user's body and, in time, his soul.

JARYOON KING OF HARYUN

Noble and charismatic, Jaryoon is the ruler of which great kings are made. But there has been a drastic change in Jaryoon as of late. Now, under the sway of the spirit of the Pasa Sword, Jaryoon is cutting a swath of humanity across the countryside as he searches for his new prey, Ray.

SHYAO-LIN

A sorceress, previously Ray's traveling companion and greatest ally, Shyao has recently discovered that she is, in fact, one of the Eight Sages of the Azure Pavilion, sent to gather information on the Human Realm. Much to her dismay, she has been told that she must now tell Ray "yes."

REY YAN

Ray has proven to be a worthy student of the wise and demanding Master Chen Kaiho. At the Major Fortress, the ultimate warrior testing grounds, Ray has shown his martial skills well. And with both the possessed Jaryoon and the pain-polluted Shyao after his blood—the 3 rarest of all the survival skills he can master.

MOOSUNGE EMPEROR OF ZHOU

Until recently, the kingdom of Zhou under Moosunge's reign was a peaceful place, its people prosperous, its foreign relations amiable. But recently Moosunge has undergone a complete change, leading Zhou to war against its neighbors.

SORCESSERESS OF THE UNDERWORLD

A powerful sorceress, she was approached by Shiyan's agents to team up with the Demon Lord. For now, her motives are unclear, but she's not to be trusted.

SHIYAN PRIME MINISTER OF HANYU

A powerful advisor, who is in league with the Demon Lord, and plots to take over the kingdom. He is the master of the Fists Sword, and in search of the Pac-Man Sword — the Curved Swords that are the keys to victory.

CHEN KAIHU

A diminutive martial arts master, he keeps his nose a promising pupil — one who can fight his powerful instructors.

Thus Far In...

CHRONICLES,

CURSED SWORD

In an era of warring states, warlords become kings, dynasties crumble, and heroes can rise from the most unlikely places. Ray yan was an orphan with no home, no skills and no purpose. But when he comes upon the Fata sword, a cursed blade made from the bones of the Demon Emperor, he suddenly finds himself with the power to be a great hero...

In preparation for the demon invasion on Human realms, the Demon Emperor is out to eliminate all potential threats, including Lady Hyacinth. After being betrayed by her once-loyal subjects, Lady Hyacinth is barely able to escape, however her body has only days to live if it is not returned with her captive soul! Ray and his rag-tag team are in a race against time to save Lady Hyacinth's life.
